

## STRONGROOM BAR COVID-19 POLICY

As Strongroom reopens for business in these uncertain times, we want to ensure that our staff and guests alike feel as though they are supported, informed and most importantly safe. This policy document lays out the work we have been doing across the bar to safeguard against COVID-19. For policies regarding the Strongroom Studios or any other area of our business, please refer to our websites.

### COVID-19 CUSTOMER POLICY

- All bookings are subject to our [terms and conditions](#) as modified by this policy.
- Guests accept all liability for their personal wellbeing and upholding the social distancing guidelines throughout their time at the venue.
- No guests are to attend site if they or any of their household have shown symptoms of Coronavirus within 14 days prior. There will be temperature carried out by security staff upon entry if guests are symptomatic.
- Each individual must check in to the venue through the NHS Track and Trace App.
- You must adhere to The Rule of 6 at all times when attending the venue. We do not accept groups larger than 6 people into the venue.
- Guests must have their bags checked by our security team.
- Guests will be escorted to their table by a member of staff upon entry. Guests must remain at the table for the duration of their visit, unless using the toilets. There can be no standing guests or loitering elsewhere in the venue.
- You must wear a facemask when you are inside the venue unless exempt.
- Bookings will be given staggered start times to reduce queues and congestion outside the venue.
- Guests must use 'Butlr' table ordering app wherever possible. These orders are completely contactless transactions which are sent to the bar and then delivered by floor staff to the guests table.
- Guests must take responsibility for children within their care adhering to social distancing guidelines whilst visiting the venue.
- Signage for Disabled access toilets is in situ. Guests must ask a member of staff should they require assistance.

### STRONGROOM COVID-19 SITE PREPARATION

- A socially distanced table plan has been made for the entire site adhering to the current Government guidelines.
- Strongroom's venue capacity has been lowered from 300 to 200 to allow for social distancing.
- Furniture has been removed from inside the venue to avoid congestion.
- Socially distanced queueing markers have been placed directly outside the venue, toilets and in front of the takeaway service bar.
- Enhanced cleaning carried out by staff for busy areas.
- Toilet checks and sanitation frequency has been increased to every 15 minutes. There is a cleaning schedule visible for staff to sign each time this is carried out.
- "Wash your hands" signage installed throughout the venue for guests and staff.
- Hand sanitisers have been installed by the venue entrances, toilets and the bar service areas for public and staff use.
- Dedicated PPE bins have been installed for disposal of masks & gloves for staff.
- Bathrooms have been separated into "Ladies" located in the basement area with its own queue and "Gents/Disabled" located in Rivington Bar with its own queue to reduce queues.
- Refuse collection frequency has been increased to twice a day and curbside to reduce refuse on site.
- A one way customer flow has been put in effect and clearly marked on the floor throughout the venue.
